Subject: Microsoft Settlement

Hello,

My name is Michael Rutter, and I am a computing professional. I have been keeping a close eye on the Microsoft case, and I have read the proposed settlement with Microsoft, and I feel that it is inadequate. Not only does it not fully address the problem, but it is so full of loopholes that I sincerely doubt that Microsoft would suffer any effect from it. Please do not let this settlement go through. Thank you for your time.

Sincerely,
Michael Rutter
